Re: Math Scorer Leader Training

As in previous years, Nassau BOCES will be offering Math Scorer Leader Training. These trainings have been designed for those who will be scoring or leading the scoring of the New York State Math Assessments in their districts. Each scorer leader training is related to the specific Grades 3-7 Assessments administered in May 2019. Anchor papers, rubrics, and practice sets related specifically to this year's assessment will be reviewed and discussed. Our goal is to prepare district scoring leaders using the most current and accurate information. This will ensure that the evaluation of student responses is consistent within and among districts.

Please register for the appropriate grade thru the Nassau BOCES MLP catalog at https://www.mylearningplan.com/webreg/catalog.asp?D=10056&M=&Term=&btn_View=Search&INT_PROGRA MID=66577 and search Math scorer leader training. All sessions are 8:30 a.m. – 2:00 p.m. on April 24 or 27, 2020. For more information, call Dawnmarie Valenza @ 516-608-6603.
